CITY OF ST. LOUIS WATER DIVISION
SPECIFICATIONS FOR POWDERED ACTIVATED CARBON

Rev. May 2016

1. General:
Powdered Activated Carbon (PAC) supplied under this contract shall meet requirements with the latest revision to ANSI/AWWA B-600 Standard for "Powdered Activated Carbon". PAC supplied under this contract shall have an Iodine Number not less than 500 mg/g. At the time of bid, the Bidder shall fully disclose of carbon base material, and the source of the base material. Only, those PACs manufactured and activated within the United States of America are deemed acceptable.
2. Certifications:
PAC is a directive additive used in the treatment of potable water. This material shall be certified as suitable for contact with, or treatment of, drinking water by an accredited certification organization in accordance with NSF/ANSI 60, Drinking Water Treatment Chemicals – Health Effects. Evaluation shall be accomplished in accordance with requirements that are no less restrictive than those listed in NSF/ANSI 60. Certification shall be accomplished by a certification organization accredited by the American National Standards Institute. Certification shall be submitted along with bid package at the time of opening. Chemical supplier's certification must exactly match that which is being submitted for use on this contract.
3. Impurities:
PAC supplied in this contract shall be only virgin (not reactivated) PAC. In addition, all PAC supplied shall meet purity requirements as outlined in the Water Chemicals Codex 1982 for Powdered Activated Carbon. In the event inferior or unsuitable material is supplied in this contract, the Supply Commissioner of the City of St. Louis has the right to purchase, at market price, a sufficient amount of PAC of a quality equal to the City's requirements. If the amount paid for such PAC is in excess to the cost at the contract price, the difference will be deducted from any amounts due or which become due the supplier. In addition, the supplier will be responsible for all costs associated with restoring the integrity of the chemical storage and feeding facilities, to the satisfaction of the Water Commissioner or his representative.
4. Testing:
Each specific PAC (brand, type, hybrid, etc.) has been performance tested in the removal of atrazine by the Water Division Laboratory, using industry-acceptable analytical procedures. The results of the performance test will result in a Removal Efficiency Index (REI). If necessary, the REI values, dose adjustment factors and will be used as multipliers in the determination of optimum bid pricing during the selection and bid award process.

CITY OF ST. LOUIS WATER DIVISION SPECIFICATIONS FOR POWDERED ACTIVATED CARBON

4. Testing continued:

The following PACs and their atrazine Removal Efficiency Index have been qualified as acceptable:

Carbon	Avg. # Removal	Dose Adjustment Factor	REI
Cabot Hydrodarco O.	80.90%	1.00	1.00
Ingevity Aqua Nuchar	79.05 %	1.02	0.98
Calgon Carbon Pulsorb WP260-90	78.84 %	1.03	0.97
Ingevity Nuchar MWC	76.40%	1.06	0.94
Calgon Carbon Pulsorb WP220-90	69.66%	1.16	0.86
Michigan Renewable CS700	64.20%	1.26	0.79
Michigan Renewable CS600	61.90 %	1.31	0.77
Standard Purification Watercarb 800	61.32%	1.32	0.76
Standard Purification Watercarb -L/O	60.66%	1.33	0.75

5. Usage & Shipment Quantity :

The quantity of PAC consumed for water treatment has been approximately: 600 tons (400 T Chain of Rocks & 200 T Howard Bend WTPs), more or less. These quantities are based on the average usage based on the past five (5) years, and may vary due to changes in water quality and production. Shipments to the Chain of Rocks WTP and Howard Bend WTP shall be in 15 and 20 ton shipments, respectively.

6. Delivery Costs:

Delivery costs shall be incorporated into the price per ton of the PAC supplied and will not be a separate line item. All details of equipment, timing of deliveries, etc. shall be furnished with the bid for evaluation by the Water Commissioner.

7. Delivery Requirements:

All delivery drivers shall display company ID badges showing a photo of the employee (head), employee's name, company name and phone number, etc. The driver shall also make available a current CDL license with number and state of issue. The driver should also have available a contact name with the company who can be called to resolve any questions regarding delivery personnel and/or truck contents. Trailers containing material to be delivered shall be secured appropriately using acceptable trucking industry standards, with all trailer inlets and outlets tagged with tamper-proof seals, and show no signs of tampering. Shipping manifest for material will be checked for appropriate information. Numbered seals, tags, etc. on trailers will be subject to inspection by Water Division personnel prior to unloading, and driver may be required to collect a sample of the material (for analysis) in the presence of said personnel. Pre-packaged samples are

unacceptable. Successful bidder will be required to furnish additional information to demonstrate security of their production facilities and delivery of products.

8. Delivery Timing:

The time and rate of delivery of the PAC are essential conditions of the contract and based upon usage driven by water quality and production. Deliveries shall be made in accordance with the instructions from the Water Commissioner or his duly authorized representative. If the deliveries are not made within the specified time frame, the Supply Commissioner of the City of St. Louis has the right to purchase, at market price, a sufficient amount of PAC of a quality equal to the City's requirements. If the amount paid for such PAC is in excess to the cost at the contract price, the difference will be deducted from any amounts due or which become due the supplier.

9. Payment:

Payment will be based on the shipping weight shown on accompanying weight ticket (from a certified scale), unless a discrepancy is found when weight is checked on other scales.

10. Bagged PAC (if applicable):

On an as-need basis, the City will request supersacks (size determined by vendor but typically 1000 or 2000 pounds) and 50 pounds bags shipped palletized and shrink-wrapped. Shipments will be requested as full truckloads (approximately 20 tons per delivery) and shipped on open flatbed trailers to accommodate ground-level forklift access during unloading. Although quantities are subject to seasonal usage, the maximum annual amount requested should be approximately 100 tons. There is no guaranteed minimum.

ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT

The City of St. Louis has enacted an ordinance relating to the purchase of domestic products by City government, with penalty provisions. The ordinance amends Section 5.58.010 Revised Code of the City of St. Louis, 1986, as amended by adding thereto new subsections dealing with the requirement that the Supply Commissioner or his designee give preference to goods or commodities manufactured in the United States of America, stating exceptions to said policy. Sections one through six are reprinted below.

Section One. Section 5.58.010 Revised Code of the City of St. Louis is hereby amended by adding the following language: Each solicitation to bid and the method of describing the items to be bid upon of any goods or commodities sought to be purchased by the Office of Supply Commissioner, and any contract entered into by and on behalf of the City of St. Louis and executed by the Mayor and/or the Comptroller of the City of St. Louis wherein the construction, alteration, repair or maintenance of any public works is the subject of the contract so executed, shall contain a provision that the goods or commodities furnished or used in the furtherance of said project by any contractor or subcontractor, manufacturer or supplier as the case may be, shall be manufactured, assembled or produced in the United States, and said requirement as defined above shall be stated in said bid.

Section Two. The provision of Section One of this Ordinance shall not apply in the following instances:

- (i) Where the item purchased as the contract entered into for repairs or renovation is less than One Thousand (\$1,000.00) Dollars.
- (ii) Where no line of a particular good or product is manufactured, assembled or produced in the United States.
- (iii) Where the acquisition of United States manufactured or produced goods would increase the cost by more than (10%) percent.

Section Three. The certificate required by this section shall specify the nature of the contract, the product being purchased or leased, the names and addresses of the United States manufacturers and producers contracted by the Commissioner or the project architect or engineer, and an indication that such manufacturers or producers could not supply sufficient quantities or that the price of the products would increase the cost of the contract by more than ten percent.

Section Four. No public agency may authorize, provide for, or make any payment to any vendor or contractor upon any contract in violation of section 2 of this act. Prior to the awarding of the bid and before any public agency authorizes, provides, or makes payment to any vendor or contractor upon any contract to which section 2 or 6 of this act applies, the vendor or contractor shall provide proof of compliance with section 2, and, if applicable, section 6 of this act. Any vendor or contractor who knowingly misrepresents any material fact to the public agency concerning the origin of any manufactured goods or commodities shall be guilty of a Class A misdemeanor.

Section Five. Sections 1 to 6 of this act shall apply only to contracts and subcontracts entered into after the effective date of this act, and shall not limit the use or supply of manufactured goods or commodities purchased or leased prior to the effective date of this act.

Section Six. Nothing in sections 1 or 6 of this act is intended to contravene any existing treaty, law, agreement, or regulation of the United States. All contracts under section 1 or 6 of this act shall be entered into in accordance with existing treaty, law, agreement, or regulation of the United States including a treaties entered into between foreign countries and the United States regarding export-import restrictions and international trade and shall not be in violation of sections 1 to 6 of this act to the extent of such accordance.

Interpretations and Guidelines

Section One: "Shall be manufactured" is interpreted to mean to make or process a raw material into a finished product or to turn-out in a mechanical manner. "Assembled" is interpreted to mean to fit or to join together the parts, gather, or to congregate in a manufacturing environment. "Produced" is interpreted to mean to create by manual or physical effort, to make or yield to customary product or products.

Section Two (i) This is interpreted to mean less than one thousand dollars in aggregate (total purchases).

(iii) When applying this subsection, multiply the cost of the foreign product by ten percent and compare the cost to the American product. If the American product cost is less than the sum of the cost of the foreign product plus ten percent, the award will be made to the vendor bidding the American product. The price paid by the City of St. Louis will be the actual price bid by the winning bidder.

Section Three: "Could not supply sufficient quantities" is interpreted to mean in order to meet the using agency's delivery schedule and in quantity specified.

Section Four: The vendor's authorized representative must complete a self-certification form, as required by the existing procedures previously indicated. These certification forms will be used to determine whether the manufacturer or producer could, or could not supply sufficient quantities, or the cost of the products would increase the contract by more than ten percent.

Prior to the City awarding the bid, the vendor shall provide certification that the product being bid is manufactured, assembled or produced in the United States or there is an existing treaty, law or regulation whereby the product bid shall be treated the same as product manufactured, assembled or produced in the United States. The procuring agency shall accept the self certification in order to apply the percentage differential that is applicable under this law. Failure to provide certification shall cause the city to presume that such product is not American made and preference shall not be considered for that product.

CERTIFICATION FORM

ST. LOUIS DOMESTIC PRODUCTS PROCUREMENT ACT

(BUY AMERICAN)

Bidders are advised of legislation enacted by the City of St. Louis which requires all manufactured goods or commodities used or supplied in the performance of this contract or any subcontract to be manufactured, assembled or produced in the United States, unless obtaining American made products would increase the cost of this contract by more than ten percent.

Section Four requires the vendor or contractor to certify his compliance with this legislation and if applicable, Section Six, if preference is claimed.

This legislation does not apply if the total bid is less than one thousand dollars (\$1,000.00).

Bids received will be evaluated on the basis of this legislation. Certificates of compliance must be completed and returned to be considered for preference. Failure to provide certification shall cause the City to presume that such product is not American made.

A. Mayor's Executive Order #28, Section Six - Supply Contracts

1. The goal of the City of St. Louis is that 25% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Minority Business Enterprises (MBEs) and that 5% of the value of all contracts let and purchases made by the Supply Commissioner shall be let or made with Women's Business Enterprises (WBEs).
2. All contracts let by the Supply Division for the purchase or lease of materials, equipment, supplies, commodities or services, the estimated cost of which exceeds \$500, shall be subject to this goal.
3. The methods by which the Supply Commissioner shall pursue this goal shall include but not be limited to the following:
 - a. The Supply Commissioner shall solicit bids from minority business enterprises and women's business enterprises certified to supply the required materials, equipment, supplies or services;
 - b. St. Louis Airport Authority (SLAA) shall provide the Supply Commissioner with a list of minority business enterprises and women's business enterprises qualified to provide each of those commodities that the Supply Commissioner indicates are required by the City;
 - c. The Supply Commissioner shall notify SLAA prior to solicitation of bids whenever no such qualified businesses are available;
 - d. SLAA shall attempt to identify such qualified businesses, and if successful, shall notify the Supply Commissioner of their availability; and
 - e. The Supply Commissioner shall provide such minority business enterprises and women's business enterprises every practical opportunity to submit bids.
4. Joint ventures or mentor-protégé relationships between prime contractors and subcontractors with local MBE and WBE firms are encouraged.
5. Participation of MBE and WBE firms located outside the St. Louis Metropolitan Statistical Area (SMSA) shall not count toward the goals established in this order.

B. SUPPLY DIVISION POLICY

It is the policy of the Supply Division that all bids/contracts awarded adhere to the Mayor's Executive Order #28. All vendors are encouraged to comply with this policy and all other provisions of Executive Order #28. A copy of Executive Order #28 is available upon request. Each Vendor/Contractor (bidder) must complete, sign and return this M/WBE Form. Failure to complete, sign and return the M/WBE Form will result in the bid being declared non responsive and your bid may be eliminated.

C. OBLIGATION

The bidder agrees to make a good faith effort to ensure that M/WBE businesses have an opportunity to participate in the performance of contracts or subcontracts financed in whole or in part with City funds. The bidder will take all necessary and reasonable steps to ensure that said businesses have an opportunity to compete for and perform under this bid/contract. The bidder shall not discriminate on the basis of race, color, national origin or sex in the award and performance of bids/contracts. The Directory of Disadvantaged, Minority and Women Owned Business Enterprises certified by the City of St. Louis, can be viewed at www.mwdbe.org.

ORDINANCE #69431
Board Bill No. 295
Committee Substitute
As Amended

An Ordinance repealing Section One, part 86.040 of Ordinance 56716, pertaining to the opening of bids, codified as Section 5.58.040 of the Revised Code of the City of St. Louis, and enacting a new provision on the same subject matter which allows a local bidder to match the lowest bid when the lowest bid is from a non-local bidder; enacting a new provision on the same subject matter; containing severability clause.

WHEREAS, local businesses which seek to enter into contracts with the City of St. Louis are at a competitive disadvantage with businesses from other areas because of the higher administrative costs of doing business in the City;

WHEREAS, the City of St. Louis desires to encourage businesses to remain in the City and to relocate to the City;

WHEREAS, by enacting a local preference law that allows a local firm to match the lowest bid when its bid is within 2% percent of the lowest bid, the City hopes to encourage and stimulate local business.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. Section One, part 86.040, Ordinance 56716 is hereby repealed.

SECTION TWO. Enacted in lieu thereof is the following new section.

5.58.040 - Opening of bids.

A. Proposals shall be opened at the time and place fixed by the advertisement, in the presence of such bidders as desire to be present, and shall be open to the inspection of bidders.

B. The bids shall not be materially modified or amended as to price, specification or otherwise, nor substitutions placed thereon, after opening except when the lowest bid is from a non-local bidder. When the lowest bid is from a non-local bidder, any local bidder within two percent of the lowest bid may match the lowest bid. If a local bidder matches the lowest bid, then the Supply Commissioner may select the bid from the local bidder. If more than one local bidder is within two percent of the lowest bid, then only the lowest local bidder may match the bid. In all other circumstances, modification, supplementation or amendment shall cause rejection of the bid. For purposes of this chapter, local bidder means a bidder whose principal place of business is within the City of St. Louis, has had a valid business license for at least one year, and is current in payment of local taxes. Principal place of business shall be defined as the business's physical office, plant, or site where a majority (51%) of the full-time employees, chief officer, and managers of the business regularly work and conduct business, or where the plant or office and equipment required for the furnishing of the goods or performance of the services provided to the City, as required by the contract, are physically located in the City of St. Louis for at least one taxable year immediately prior to the date of the bid.

C. Bids may be for one or more or all the articles advertised for, but there shall be a specific bid on each article. The award may be made to the lowest bidder for any article, or to the lowest bidder for the entire requisition or any part thereof, but the Board of Standardization may reject any or all bids or any part of any bid.

SECTION THREE. Severability.

The provisions of this section are severable. If any provision of this ordinance is declared invalid, that invalidity shall not affect other provisions of the ordinance which can be given effect without the invalid provision.

Approved: April 29, 2013

CITY OF ST LOUIS, MISSOURI
INSTRUCTION TO BIDDERS (for request for quotations - RFQs)

VENDORS SHOULD CAREFULLY READ THE FOLLOWING INSTRUCTIONS AND TERMS AND CONDITIONS, BEFORE SUBMITTING QUOTATION. **CAUTION: THIS IS NOT AN ORDER**

- Quotations will only be accepted on this form which must be returned in a **sealed envelope**. The upper left corner of the envelope must include the following information: Vendor Name, Quotation Number and the Due By Date. This information is also required on any mail delivered next day or overnight.
- Quotations should be typewritten or in ink. Altered or erased unit price(s) must be initialed. One copy of Quotation Sheet must be submitted, please retain a copy for your files.
- The Supply Commissioner reserves the right to reject any or all bids.
- The Supply Commissioner reserves the right to make awards on an item basis or on a total basis.
- Bidders must quote Unit Price(s) and Extension on each item. When an error appears on an extension, the Unit Price(s) will govern.
- When Quotation Sheet requests item(s) by brand name and your quote is for an alternate brand – show brand name(s) with model number(s) and attach full specifications.
- When Quotation Sheet has only a general description(s) of item(s) required – show brand name with model number(s) and attach full specifications.
- Suppliers shall not offer more than one bid on each item. Two or more quotations on the same item may cause a rejection of the bid. Suppliers must determine which one of their many styles or types fully meet the specification.
- Freight or delivery charges must be included in quote, or shown separately on quote, so bid can be evaluated.
- **Bids must arrive no later than NOON** on the date stated or will be rejected. Faxed or E-mailed bids are not accepted unless specifically requested.
